

AIRPORT SHUTTLE SCHEDULE TO IND AIRPORT

The following Departure table includes all NOAC STAFF members that have paid for transportation to the Indianapolis Airport on August 6, 2009.

We have assigned you to the bus departure time that will get you to the Indianapolis airport via the Star of America bus company in a timely manner. The airport shuttle bus will make 3 stops. The bus will stop and load at each location for only 10 minutes.

The shuttle departs the 1st Stop at the time printed in the table below:

- The 1st stop will be at the Willkie Dorm on Rose Avenue, opposite the NOAC shuttle bus stop, and will depart at the time printed.
- The 2nd stop is at the Wright Quad on 10th St and departs 10 minutes after the printed time.
- The 3rd stop is the McNutt Quad on Fee Lane. The bus will load on Fee Lane and depart for the airport 30 minutes after printed time.
- Example: At 9:00am, bus will depart Willkie Dorm and travel to Wright Quad. Bus will depart Wright Quad at 9:10 and proceed to McNutt. Bus will depart McNutt Quad at 9:30 SHARP!

Staff must depart on the assigned buses at the ASSIGNED TIMES.

The bus will have both staff and lodge contingents. We will not allow any groups to “jump” on to earlier buses before the assigned times. Please plan on additional time to get to the pickup points via the internal school bus shuttle (beginning at 2:30AM) or walking as required. The school bus will only be used until transferring to the airport shuttle bus.

If you wish to use the return Shuttle Service to Indianapolis Airport and are not on the departure list the cost is \$35.00.

If any last minute changes should occur – please call (812) 855-5320 and advise the Transportation Committee or see us in IMU Georgian Room (room 161).

**Times listed are DEPARTURE times for the 1st Pickup Location
